

Joshua Springs Christian School

Sports Website Media Form

JSCS has developed a sports web site to feature all of our school's student athletes. If you plan to participate in any of the sports programs, we need additional sports related information from you for your online sports profile. The information is published locally for the JSHS students, fans, parents and the general public; regionally, state and nationally for the access of colleges, other media and general public. The benefits to you will be tremendous if you want to move on to the college level and desire a scholarship in sports.

Please complete the following form for each sport you will be participating.
